

One of these things is not like the other...

(Which answer is NOT correct)

A01

Which of these is NOT a real element?

A: Protactinium

B: Vibernium

C: Seaborgium

D: Ytterbium

A02

Which of these is NOT one of the 7 types of Celestial Bodies?

A: Stars

B: Meteoroids

C: Planets

D: Dark Matter

A03

Which of these is NOT a musical instrument?

A: Clavichord

B: Euphonium

C: Double-Entendre Sousaphone

D: Subcontrabass Flute

A04

Which of these is NOT a type of rock?

A: Sedimentary

B: Pyroclastic

C: Metamorphic

D: Igneous

A05

Which of these was NOT the name of one of the first 6 ships built for the US Navy under the Naval Armament Act of 1794?

A: Constellation

B: Congress

C: Constitution

D: Yorktown

A06

Which of these is NOT a member of the Equinae subfamily (which is under the Equidae family)?

A: Horses

B: Hippos

C: Asses

D: Zebras

A07

Which of these is
NOT a leather working tool?

A: Leather Groover

B: Leather Skiver

C: Flying Leatherneck

D: Leather Creaser

A08

Prior to 1977, which country did NOT require a driver's test to acquire a driver's license?

A: Italy

B: Greece

C: Belgium

D: Mexico

A09

Which of these is NOT one of the
3 primary parts of a tree leaf?

A: Petiole

B: Leaf Base

C: Itumee

D: Leaf Blade

A10

Which of these is NOT one of the 8
(or 9 – who knew?) parts of speech?

A: Pronoun

B: Clause

C: Conjunction

D: Adverb

A11

Which of these is NOT a type of knot?

A: Corpus delicti						
B: Situs inversus						
C: Viscera nothera						
D: Lungus philippus						

If you know these terms - you are pedantic

(Obscure Figures of Speech)

B01 Wait, you're impressed that I know what
'Accismus' means? 'Oh, stop...' 🤪

A: An adverbial construction
used to express a
viewpoint more assertively

B: A sarcastic reply
that mocks an opponent

C: Exaggerating the gestures
or speech habits of another
in order to mock him

D: Coyness

B02 If you can't define 'Anadiplosis', honey,
'Anadiplosis' the one you're with.

A: A literary device wherein a word or phrase at/near the end of a clause is repeated at/near the beginning of the next clause

B: Recommending useful precepts or advice to someone else

C: Frequent repetition of a phrase or question

D: Original lyrics to a Crosby, Stills, Nash and Young song

B03 With respect to the definition of 'Aposiopesis', all I can tell you is, uh, um...

A: Indecisiveness

B: An early computer operating system that employed the names of biblical figures to perform computer operations.

C: Brain fog

D: A rhetorical term for an unfinished thought or broken sentence

B04 'Epizeuxis', 'Epizeuxis'.
I love saying 'Epizeuxis'.

A: A 12th Century term that was used to describe planetary retrograde motion.

B: Greek god who was Zeus's father.

C: A rhetorical term for the repetition of a word or phrase for emphasis, usually with no words in between

D: Sneezing while talking

B05 You want to know what the word 'Epimone' means, huh? Hmm... let me think... what does it mean... what does it mean...

A: The chocolate syrup poured over vanilla, cherry and pistachio gelato.

B: Greek goddess who presided over all small woodland creatures

C: A person or thing that is an imperfect example of a particular quality or type.

D: A rhetorical term for the frequent repetition of a phrase or question

B06

I've done the math and I am telling you, for your own good, you're better off NOT knowing the meaning of 'Dehortatio'...

A: The empty state you are feeling after you have overhyped the capabilities of a person or thing.

B: Idle threat

C: The area of an ellipse divided by its semi-major axis.

D: Dissuasive advice given with authority

B07 You wanna know what 'Hypocrisis' means?
Rich Little said it best when he held his arms out to his sides - index and middle fingers upwards and spread apart in peace signs, jowls rolling side to side as he yammered 'I am not a crook.'

A: What drama queens seem to be dealing with on a regular basis.

B: The ultra-radical right-wing arm of the Islamic State.

C: One of the key moments of excitement encountered on the Jungle Cruise ride at Disneyland/World.

D: Exaggerating the gestures or speech habits of another in order to mock them

B08 You wanna know what 'Tapinosis' means, you worthless little turd?

A: Name-calling; undignified language that debases a person or thing

B: A serious medical condition that arises from consuming spoiled mashed black olives, capers, and anchovies.

C: A painful foot condition that Gregory Hines was prone to getting.

D: The condition when a beer keg is producing too much foam.

B09

'Paronomasia' arises when farmers are characterized as simply handymen with a sense of humor.

A: A psychiatric disorder where an individual can no longer recognize their parents.

B: Playing with words.

C: One of the supercontinents of Earth 3.7B years ago

D: Idolatry of the First Lady of Argentina in the late 1940's and early 1950's.

B10 This entire collection of trivia questions is pure 'Skotison'.

A: The smallest quantity of Scotch Whisky one can consume in a proper toast.

B: Wild game cured with a combination of mountain herbs and Scotch Whisky.

C: A second generation Star Fleet Engineer well versed in the design and operation of warp drives.

D: Intentionally obscure speech or writing, designed to confuse an audience rather than clarify an issue.

B11

'Synathroesmus' seems to be an obtuse, unhelpful, nebulous and sesquipedalian blather of a word.

A: The piling up of adjectives, often in the spirit of invective.

B: A magic spell word used many times by Hermione Granger in the Harry Potter book series.

C: A brain disorder that affects a person's ability to think clearly and understand reality.

D: An immovably fixed joint between bones connected by fibrous tissue (like the sutures in a skull).

B12 'Zeugma' has allowed me to raise my standards for trivia questions, along with your level of anxiety.

A: Incontrovertibly true across the entire Animal Kingdom.

B: The sound that old-fashioned car horns made.

C: An increase in one's understanding.

D: Use of a word to modify or govern two or more words although its use may be grammatically or logically correct with only one.

Questions Summary
